HOPE IN

ACTION

JULY 2025 | HOPE IN ACTION: MID-YEAR
FAITHFUL IMPACT

A MESSAGE OF FAITH

As we reach the midpoint of 2025, I've been reflecting on what it truly means to live out hope in action. One beacon that continues to shine is the Faithful Majority for Reproductive Freedom—a bold, multi-religious coalition that reminds us faith, compassion, and justice are not only compatible, but powerful together. Their declaration is both clear and courageous:

“Religion isn't a weapon. It's a force for protection, healing, and liberation.”

Leaders like Sheila Katz of the National Council of Jewish Women affirm this truth with conviction:

“Our religious freedom and our reproductive freedom are inseparable.”

That truth is both urgent and undeniable. As states like South Carolina push to defund Planned Parenthood, we're reminded: this isn't just a political moment—it's a moral one.

Now more than ever, religious communities must rise—not in fear, but in fierce love. Not only from pulpits, but through public witness, policymaking, and radical commitment to human dignity.

At SisterReach, we believe that religion and freedom walk hand in hand. They are sacred companions in the struggle for justice, autonomy, and care. And so I invite each of us—pastors, imams, rabbis, elders, lay leaders, neighbors, and kin—to raise your voice, lift your light, and bless the work of reproductive and sexual freedom with your presence, conviction, and love.

Together, we are the hope.
Together, we are the action.

A Universal Prayer

*To the Eternal Power of
Love and Liberty,*

You are the pulse of justice and
the breath of mercy.

Help us rise as a bold, unwavering
banner of love that embraces us all.

May our voices speak with
compassion, clarity, and courage.

May our hands protect what is
sacred: each body, each choice, each
life.

Let our hope be active, fierce, and
unstoppable.

In the name of Love that will not let
us go—
Amen.
